School

# Sun Safety Policy

Ratified by Board of *Governors*: September 2018  
Last Reviewed: September 2021  
Review date: September 2024

## **Holy Rosary Nursery School Sun Safety Policy**

At Holy Rosary Nursery School we want everyone to enjoy the sun safely and we promote this through:

### ***Education***

- A leaflet to parents/carers explaining what we are doing about sun protection and how they can help.
- Songs, stories and artwork.
- Role play resources.
- Posters/displays in visible places in the Nursery.

### ***Raising Awareness***

- We aim to provide sun protection training for nursery staff in the summer term.
- There will be ongoing education regarding sun safety with children and their parents/carers during summer term.

### ***Protection***

#### **Shade**

- The outdoor area has appropriate man made shaded areas.

### ***Timetabling***

- Current timetabling means children are at lunch after noon.
- Water is constantly available for children and staff.

### ***Clothing / Sunscreen***

- We actively encourage all children to wear a hat when playing outside.
- The nursery provides sunhats for children who need to borrow one.
- We recommend that children wear t-shirts that cover their shoulders rather than strappy dresses and tops or vests.
- We ask parents/carers to apply Sunscreen of at least factor 25 before their child comes to nursery as we do not supply/apply sun cream.
- We will be sensitive to individual needs regarding culture, disability or allergies and liaise closely with parents and carers.
